LIONS DISTRICT 105CE

DG Dr Chris Hibbert

2022 – 2023

The role of first Vice District Governor.

The role of the 1st Vice District Governor is slightly different from the 2nd VDG in as much as support now is going both ways, upwards and downwards to the Dg and 2ndVDG. The past six months have gone by so quickly with club visits that are always a pleasure to attend and seeing club members serving their communities so well. Lions Roar plays a big part with the DG team both with encouraging clubs to get involved with this project and being part of the judging process. Club Charters are very interesting as this is the formal element of the formation of our clubs, and the social side.

District Governor training becomes more interesting and intensive but is also good to meet your fellow VDG s from around the country and form a good relationship with them.

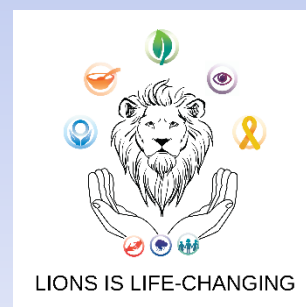

Paul Southerton 1st VDG.

Spalding Lions Club.

Spalding Lions Club recently paid thanks to all the organisations which had helped on their Christmas sleigh runs in the villages around Spalding during December.

On Wednesday evening at the Cley Hall Hotel in Spalding, Lion President Michele Elvin and Lion Activities Chairman Stuart East, thanked and presented cheques to representatives from Spalding Flower Parade, Pinchbeck Guides, SENSE, Donington Community Fire Station (Firefighters Charity), Flinders Founders, Phab, Moulton Harrox U15 Football club, LIVES, Tonic Health and Cowbit Rainbows and Brownies. The success in raising funds for local causes would not have been possible without their help.

Also, a certificate of appreciation was presented to Nigel Gedney, a loyal supporter of Spalding Lions, who came out with us on every evening sleigh run. Nigel's help, support and enthusiasm was invaluable to us.

URGENT HUMANITARIAN APPEAL.

LIONS CLUBS INTERNATIONAL FOUNDATION Southern Turkey Earthquake

Dear fellow Lions

You may have seen on the media the sad news of a 7.8 magnitude earthquake that has struck southern Turkey.

The powerful earthquake that struck Turkey and Syria, and the strong aftershocks which followed, has killed more than an estimated 2,000 people and injuring thousands more. This is one of the strongest earthquakes to hit the region in more than 100 years and has devastated entire communities.

When a humanitarian crisis of this magnitude strikes, we, as Lions, are ready to help.

Lions Clubs International Foundation (LCIF) has already mobilised funds, including a US\$200,000 Major Catastrophe grant, for Lions in Turkey and other impacted areas to provide earthquake relief activities and to help their communities recover.

The Lions of Turkey have been asked to set up a disaster relief committee comprising of Lions leaders in the affected regions to work on a needs assessment and begin planning for relief projects.

Your generous donations to LCIF's Disaster Relief Fund, specifically reserved for disaster relief projects, helps Lions continue to serve !

Donations to LCIF Disaster Relief (Turkey Earthquake) can be made via our District Treasurer and I would encourage Clubs to do so if your funds allow.

Sort Code 405240
A/c No. 00099737

If your finances are depleted and you feel you have insufficient funds to support this cause could you please consider holding a fund raising event for this cause.

Many thanks in anticipation of your donations, and let's hope the devastation caused by this earthquake can be quickly recovered and rebuilding the infrastructure can start as soon as possible and the families can start to rebuild their lives.

Yours in Lionism

The Deepings Lions Club.

The Deeping Lions Club held a fundraising evening 31st January for Lions Brain Tumour Research Appeal at Maharanis Indian Restaurant and raised a fantastic amount of £845 for the appeal.

Lion President Lynne Roberts said 'As District 105CE officer for the appeal and Deputy National Brain Tumour Research officer, I was pleased when my club agreed to support this event. Special thanks to the owner of the restaurant, who was very generous by donating back half the ticket value and £100 meal voucher.

There were 72 guests in attendance who enjoyed a three-course set meal, followed by the splendid raffle. Guests joined us from Lions clubs of Peterborough, Spalding and Bourne, together with friends from Rotary club of Market Deeping and Deeping United Football club and many other new friends.

Hi, I'm David Broadley, your Global Membership Approach (GMA) New Clubs Officer and my role for our District is to:

- Encourage clubs to support the formation of a new branch club or full club if possible.
- Explain the difference between a branch and full club and the different types of club, for example, Traditional, Leo-Lion, Specialist, Virtual etc.
- List the benefits of a branch club – what it brings to the parent club as well as the local area, (increased service ideas, skills and opportunities for example). Not forgetting what Lions brings to these new members – 'Lions is Life Changing'.
- Explain the responsibilities of the parent and branch club and the process i.e., what is required of a parent club and branch, when, by whom etc.
- Offer advice and guidance where necessary.

I am helped in this role by:

Steve Scall (GST Young Farmers Liaison & Youth Roar Officer) and

Ash Chaplain (ICT Innovations) with the support of our DG Chris, Verdun Webley (editor and Region 5 chair), Alan Hall (GMA Team Leader) and all members of the GMA team.

As you are aware, one of DG Chris's District Goals this Lionistic year is to form at least one Branch Club, this is progressing well in the Cambridge area. But with your help we can raise the bar and create more than one club, perhaps two or three. The skies the limit. Once one or two have been formed the benefits will become more obvious and the pattern will become easier to follow.

Please give this initiative your full support. Just think one new club could increase the amount and type of service projects and community service, increase public support and awareness of Lions, reach a wider audience, and of course increase membership.

But we will also be giving more people the chance to be LIONS and to experience the amazing opportunities that someone once gave you! Pass on the gift and help guarantee the future of Lions in the UK.
