LIONS DISTRICT 105CE

DG Paul Southerton

2023 – 2024

A WORD FROM THE NEW DISTRICT GOVERNOR.

Just a reminder if you are planning to attend the DG Handover on the 15th July please book in with Lion Jane on 01485 579146. The cost per person is £16.00 per head payable to the district treasurer.

What a fabulous week this has been starting with my special birthday and thanks to all of you for your birthday wishes.

Friday Hunstanton Lions hosted our 20th Fun Day for children with special needs. We had 183 children bused in from local schools along with 40 carers and gave them a day to remember at the funfair all free of charge.

They were then treated to a fish and chip lunch on the green. As ever this was a truly emotional event for us as lions, plus the carers but most of all the children.

Can somebody please tell me if this is the first occasion that an incoming Town Mayor and the incoming District Governor both from the same club in the same year have taken office.

Saturday was more birthday celebrations with the whole family.

Sunday was the Hunstanton carnival, and we had our stall out like other organisations. A breezy day by the sea and eventually we had to take down our Lions advertising board. We still had over 130 customers trying to win a little lion.

We had 3 members of the public who showed a general interest in all the work we do so maybe potential members.

This was followed in the evening by the weekly District Governors zoom meeting.

Don't miss these great learning opportunities!

Training is invaluable for incoming officers and Lions Clubs International has the informational tools to help. As the time to train your incoming club officers approaches, review the courses with them available in Learn inside the [Member Portal](#). Encourage your club leaders to access Learn where they will find these four helpful courses under "Course Catalog."

- Club Officer Training
- Club President Responsibilities
- Club Secretary Responsibilities
- Club Treasurer Responsibilities

Additionally, encourage your marketing chairpersons to check out the [Marketing Matters](#) webinar series to boost their marketing know-how. And if your clubs don't have a marketing chairperson, encourage them to appoint one!

Take the time to review some helpful programs and resources with the incoming officers, which are noted below.

- [Club Quality Initiative Program](#) – A strategic planning tool that helps clubs identify opportunities for improvement. By understanding our current operations, identifying areas that can be improved and taking measured steps to accomplish your goals, your club can be even better.
- [Plan for Your Club's Success \(Global Membership Approach\) Webpage](#) – This webpage has been designed to assist clubs in attracting new members, overcoming challenges and developing new goals and strategies. Clubs can use the **planning guide** and **PowerPoint** to discover their strengths, ways to improve and new opportunities that will help them grow and thrive! Planning forms help develop a vision, assess your club's needs and organize your plan for a successful implementation.

Encourage club officers to familiarize themselves with the dedicated webpages and resources available to them to help them succeed in their roles. The [Managing a Club \(Club Officer Team\)](#) webpage provides direct links to club officer webpages, e-Books and other resources.

As you prepare for your year, please contact us if you have any questions. We can be reached by phone at (630) 468-7084 or by email at clubofficers@lionsclubs.org.

Let's get Social

Send your content along with a short description to socialmediacomms@lions105ce.org.uk

Having a good social media presence helps our district and organisation as a whole stay relevant in our communities. Posting regular content keeps people aware of the good works we're doing and what it means to be a Lion.

How you help us with boosting our digital footprint...

Photos, videos, clips and memes are widely used on social media, with the average person spending 2-4 hours per day on apps like Facebook, Instagram, TikTok and Twitter.

For this reason, it would be a massive help in promoting our selves if you could share your photos and videos with us, so we can add to our social media accounts.

This may be relating to:

- Service projects
- Community engagement
- Social events
- Club meetings
- Awards and acknowledgements
- Anything else we want to make the public aware of

How you can share your content...

On the 3rd of July **Felixstowe Lions Club** had the pleasure of welcoming to our meeting, Derek Moore – Vice President of the Seal Beach Lions Club in the U.S.A. It was great to hear about the club they have in California. It was also nice to share with him the handover of the president, as outgoing President David Cole hands over to in-coming President Jan Willis.

Here is a photo of **Winterton and District Lions Club** President Pauline Hollingworth presenting chevrons to Lion Ann Tong for 20 years of service. Also, Lions Tony and Barbara Clark and Gordon Jackson for 15 years of service.
