LIONS DISTRICT 105CE

DG Dr Chris Hibbert

2022 – 2023

A message from Paul Southerton District Governor Elect

Just a gentle reminder that the District Governors handover is on July 15th at the Masonic Centre

Peterborough with a 10.30 start including a light afternoon tea. Cost is £16.00 per person payable to the District Treasurer. Please contact Lion Jane on 01485 579146 if you are attending.

This has been an enjoyable busy week starting with the Winterton Charter lunch last Sunday. Well done to Lion President Pauline for an excellent lunch, good speeches but above all great company and friendship.

Monday was a zoom meeting with some good Cancer awareness projects that we are looking to launch early in the new lion's year. This was followed by a club meeting in the evening.

Another zoom meeting on Wednesday and on Saturday I attended the Presidents handover at Hornchurch Lions with Lion Pushinder handing over the reins after two wonderful years as president helping his club to do a lot of excellent work within the community and raise the awareness of Lions.

Lion Harpreet is the new incoming club president and I wish him well with the good ideas he has for the coming year.

This was a great evening with good food and company, and I was made to feel very welcome even by the singer who was providing the entertainment. There was a Lion from District A who gave a remarkable speech on her firsthand experience of living with and defeating cancer. What a truly extraordinary person she is.

During the week an urgent appraisal was requested to all Districts regarding the Lions Insurance policy. The only item we could find that has changed is the one regarding the sale of alcohol.

A few years ago, the current insurance company that we deal with were given a comprehensive list of all activities that Lions in the Multi District were doing, and our policy was based on this.

Over the years, various new events have been undertaken by Lions Clubs and the insurance company has not been notified of these. Our current insurance is due for renewal later this year and the incoming District Governors from around the Multiple District want to have a policy in place that covers everything that Lions do and to protect all of our members for the good work we do in our communities.

Any developments will be notified to all if and when we receive them.

Club Officer Training

Don't miss these great learning opportunities!

Training is invaluable for incoming officers and Lions Clubs International has the informational tools to help. As the time to train your incoming club officers approaches, review the courses with them available in Learn inside the [Member Portal](#). Encourage your club leaders to access Learn where they will find these four helpful courses under "Course Catalog."

- Club Officer Training
- Club President Responsibilities
- Club Secretary Responsibilities
- Club Treasurer Responsibilities

Additionally, encourage your marketing chairpersons to check out the [Marketing Matters](#) webinar series to boost their marketing know-how. And if your clubs don't have a marketing chairperson, encourage them to appoint one!

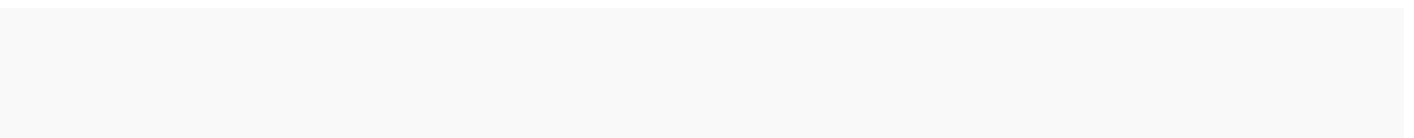

Take the time to review some helpful programs and resources with the incoming officers, which are noted below.

- [Club Quality Initiative Program](#) – A strategic planning tool that helps clubs identify opportunities for improvement. By understanding our current operations, identifying areas that can be improved and taking measured steps to accomplish your goals, your club can be even better.
- [Plan for Your Club's Success \(Global Membership Approach\) Webpage](#) – This webpage has been designed to assist clubs in attracting new members, overcoming challenges and developing new goals and strategies. Clubs can use the **planning guide** and **PowerPoint** to discover their strengths, ways to improve and new opportunities that will help them grow and thrive! Planning forms help develop a vision, assess your club's needs and organize your plan for a successful implementation.

Encourage club officers to familiarize themselves with the dedicated webpages and resources available to them to help them succeed in their roles. The [Managing a Club \(Club Officer Team\)](#) webpage provides direct links to club officer webpages, e-Books and other resources.

As you prepare for your year, please contact us if you have any questions. We can be reached by phone at (630) 468-7084 or by email at clubofficers@lionsclubs.org.

Let's get Social

Having a good social media presence helps our district and organisation as a whole stay relevant in our communities. Posting regular content keeps people aware of the good works we're doing and what it means to be a Lion.

How you help us with boosting our digital footprint...

Photos, videos, clips and memes are widely used on social media, with the average person spending 2-4 hours per day on apps like Facebook, Instagram, TikTok and Twitter.

For this reason, it would be a massive help in promoting our selves if you could share your photos and videos with us, so we can add to our social media accounts.

This may be relating to:

- Service projects
- Community engagement
- Social events
- Club meetings
- Awards and acknowledgements
- Anything else we want to make the public aware of

How you can share your content...

Send your content along with a description to socialmediacomms@lions105ce.org.uk
