## LIONS CLUBS INTERNATIONAL FOUNDATION Japan Earthquake

Dear Lions and Friends,

The earthquake in Japan has devastated entire communities.

When a massive earthquake struck Japan, buildings collapsed, fires ignited and tsunami alerts were issued. Dozens of people were killed and many more are still missing under the debris. The 7.6 magnitude quake destroyed homes, forced nearly 100,000 residents to evacuate and has left thousands of homes without power.

When an humanitarian crisis of this magnitude occurs, Lions are among the first to offer help. Lions in the region are already poised to help and Lions Clubs International Foundation is mobilising funds, including a US\$100,000 Major Catastrophe grant to empower Lions in Japan and other impacted areas to help their communities recover.

Your generous donations to LCIF's Disaster Relief, specifically reserved for all disaster relief, helps Lions continue to serve!

To support Lions in their efforts to help those impacted by these natural disasters, donations can be made via our District Treasurer in the form of a Cheque or Bank Transfer. Donations to be made to 'LCI District 105ce', endorsed on the back 'LCIF Disaster Relief'.

Many thanks in anticipation of your donations, and let's hope the devastation caused by this disaster can quickly be overcome and the rebuilding of the infrastructure can start as soon as possible allowing families to rebuild their lives.

Yours in Lionism
