LITTER PICKING

LIONS SHARE

GREAT YARMOUTH AREA OF SERVICE:

Project description

- There was a need to remove litter, improve the environment and engage with the local community.
- A group of Lions plus local volunteers meet at regular intervals in local green spaces.
- Litter picking equipment is handed out and the group spend approx. 90 minutes clearing the area whilst engaging with passers by.

LITTER PICKING

LIONS SHARE

GREAT YARMOUTH AREA OF SERVICE:

What went well?

- Equipment was sponsored by local company.
- Improved people's wellbeing.
- Improved the environment.
- One volunteer is now a member, another volunteer is interested in joining.
- Good report in the press.

Lessons learnt

- Vary the areas that we clean.

1000 people served

(per clean)

6-10 volunteer hours

(per clean)
