Ever wondered what the Admin Team do? Well, here is the answer.

LIONS DISTRICT 105CE

DG Dr Chris Hibbert

2022 – 2023

The Admin Team consists of Officers responsible for CIO Lead, Competitions, Insurance, Emergency Response Liaison, Health and Safety, Data Protection, Almoner, whose role also includes Lions' welfare, and Vulnerable Persons. Clearly this is a Team which is exactly as described, responsible for the correct administration of the district, and one which provides help and support for administrative elements in Club life. We are here to support you – individual Lions and Clubs throughout CE. Our aim is to provide straightforward information in response to requests for assistance whilst we also aim to provide, via Newsletters and Bulletins, useful information Clubs might find of benefit and so become proactive.

If you as an individual Lion or your Club need any help with any of the areas included within the realm of the Admin Team, please contact one of us, and we will find the answer if we do not know it immediately. Our contact details are in the District Directory and on the district website. My own details are: adminlead@lions105ce.org.uk Equally we are more than happy to visit Clubs and/or Zones to outline our roles and provide answers to any queries you may have or suggestions as to how to overcome any issues you face. Examples of providing support include the Data Protection Officer, Robyn Banks, offering presentations on Handling Personal Data and its legal requirements and in recent weeks I have provided advice to 3 different Clubs on how to proceed with issues they have faced over President vacancies for the coming year. Also, the Vulnerable Persons' Officer, Di Parkin, reminds Clubs that DBS checks are necessary for any Lion who comes into regular contact with children or vulnerable adults, the clearance from DBS is the Lion's safeguard as well as a safeguard for those they are in contact with.

PDG David Merchant – District Admin Lead

Spalding Lions Club.

Members of the Hoy at Anchor Folk Club and **Leigh on Sea Lions Club** are organising a free community weekend of sea shanties, folk music, song, and dance in the atmospheric setting of Old Leigh Town.

No admission will be charged to the public and all the performers are giving their services free of charge. Over the weekend, members of the **Leigh on Sea Lions Club** will be arranging a charity collection in aid of the Southend RNLi and Leigh on Sea Endeavour Trust.

At the time of writing, the following shanty crews and folk artistes have agreed to participate : The Hoy Shanty Crew, The Silver Darlings, The Hoolies, The Motley Crew, Impressed, The Hogeye Men, Mains'l Haul Shanty, The Brave Marauders, Freddie's Barnet, The Felix Stowaways, Captain Morgan's Rum Do, Cockleshell Clog, Arfur Do & the Toe Rags, Emerald Hill, Grand Reunion, Mucky Dennis & The Grifters, Fran Foote & Belinda Kempster, Random

TRAINING

Don't miss these opportunities!

Training is invaluable for incoming officers and Lions Clubs International has the informational tools to help. As the time to train your incoming club officers approaches, review the courses with them available in Learn inside the [Member Portal](#). Encourage your club leaders to access Learn where they will find these four helpful courses under "Course Catalog."

- Club Officer Training
- Club President Responsibilities
- Club Secretary Responsibilities
- Club Treasurer Responsibilities

Additionally, encourage your marketing chairpersons to check out the [Marketing Matters](#) webinar series to boost their marketing know-how. And if your clubs don't have a marketing chairperson, encourage them to appoint one!

Take the time to review some helpful programs and resources with the incoming officers, which are noted below.

- [Club Quality Initiative Program](#) – A strategic planning tool that helps clubs identify opportunities for improvement. By understanding our current operations, identifying areas that can be improved and taking measured steps to accomplish your goals, your club can be even better.
- [Plan for Your Club's Success \(Global Membership Approach\) Webpage](#) – This webpage has been designed to assist clubs in attracting new members, overcoming challenges and developing new goals and strategies. Clubs can use the **planning guide** and **PowerPoint** to discover their strengths, ways to improve and new opportunities that will help them grow and thrive! Planning forms help develop a vision, assess your club's needs and organize your plan for a successful implementation.

Encourage club officers to familiarize themselves with the dedicated webpages and resources available to them to help them succeed in their roles. The [Managing a Club \(Club Officer Team\)](#) webpage provides direct links to club officer webpages, e-Books and other resources.

As you prepare for your year, please contact us if you have any questions. We can be reached by phone at (630) 468-7084 or by email at clubofficers@lionsclubs.org.
