PEACE POSTER

WISBECH AREA OF SERVICE:

LIONS SHARE

Project description

Every year our Club invites pupils aged 11-13 years old to take part in the Peace Poster competition.

We are very fortunate to have a local artist, Andrea Taylor, help us with the judging.

The contest is judged on Originality, Artistic Merit and Expression of the theme. We award gift vouchers to the winning and honourable pupils from each school together with framed certificates for the winner and the school, and a scroll certificate for each honourable mention.

Tesco very kindly allow us to display the art work in store and they will be re-judged during the week to reveal our overall local winner. The school this pupil is from will be awarded our 'Friendship Trophy' for 1 year.
