#### **4. How to get involved and what is available to help clubs promote the award**

- a. Gain the commitment of one of your Lions members to take responsibility for this young people's programme.
- b. Request copies from your District Officer or the MD Officer of
  - the club mini guide, 'How the Award Operates'
  - promotional leaflets for distribution to local youth groups and schools
  - logbooks
  - posters

The leaflets can be personalised to your club, with space left for you to insert your club and contact details prior to distribution.

- c. Your club may run this award scheme at any time of the year.
- d. Contact your local schools and youth organisations, such as St John Ambulance, Red Cross, Boys Brigade, Cadets, youth clubs, Scouts, Guides, church groups, sports clubs, young carers, Youth Councils and all youth organisations. A personal pre-arranged visit could be the most effective way of gaining their interest.
- e. Explain how the Young Leaders in Service award works and what benefits it brings. Take all supporting paperwork with you, including promotional materials, registration forms, the School/Youth Organisation Award Certification form and logbooks for recording service activities. Confirm start dates and mention that you will be planning presentation events for successful Young Leaders in Service participants. (You would probably want to run these a number of times each year.)
- f. Keep in contact with the organisation to keep their interest and monitor progress in case of any queries. Confirm that the logbooks/youth organisation data sheet records are being completed with the hours of service recorded and, ultimately, confirm a date for collection of the School/Youth Organisation Award Certification Forms (page 9).
- g. Send the logbooks with the School/Youth Organisation Award Certification Forms and Lions Club Request Form (page 11) to your District Officer who will apply for the letters, certificates and pins and/or cloth badges from the Multiple District Officer. These logbooks will be returned to the Lions Club to be given back to the participants. Allow at least 4 weeks for delivery of the Awards.
- h. Upon receipt of certificates, obtain club president's signature.
- i. On completion of the Awards prepare a press release (see page 5) and send it to the local newspaper, your District Newsletter and to the MD105 Young Leaders in Service Officer who will include it on the Young Leaders in Service Facebook page (permission will be required first). Let your District and the MD Officer know.
- j. Make arrangements for the presentation ceremony.

## **5. The Presentation Ceremony – aims and suggested format**

- **To recognise and reward young people for their commitment to community service.**
  - **To raise the profile of your Lions Club and confirm Lions commitment to young people.**
- a. Schools – at a school event at which parents, friends, teachers and governors are present.
  - b. At a local Lions event, with invitations issued to Lions and their partners, local dignitaries like the mayor, MP, local businesses, all the family and friends of the participants and the organisations or individuals who have benefited from the community service.
  - c. At a youth organisation's own event, again so that the maximum number of people can be invited and involved.
  - d. Media – invite the press and/or provide them with a press release explaining what the presentation is all about. Please seek permission with parents/guardians prior to photographs being taken and utilised. Please contact Lion Mandy Broadbent on 01204 435340 or email: [mandy@lionsclubs.co](mailto:mandy@lionsclubs.co) for support with the media.

## **6. Present all the young people with:**

- their certificates
- letters from the Lions Clubs of the British Isles Council Chair
- pin or cloth badge.

Promotion at the presentation event: if possible, put up a display stand with information about the work of your Lions Club and the Young Leaders in Service Scheme with local contact details and literature to hand out.

## **7. Documentation:**

Unless the young participant is continuing with YLiS, once the presentation has taken place all documentation containing any personal information should be destroyed.

## **Young Leader in Service Forms**

This form is given to each young person before they are issued with a logbook. When the completed request forms are returned the young leaders receive their logbooks in which to record their service. ### **Registration Form 1b without presentation evening on page 8**

This form is given to each young person before they are issued with a logbook, if your club is not planning on holding a presentation evening. When the completed request forms are returned, the young leaders receive their logbooks in which to record their service. If an address is given, it is also suggested that a letter be sent to the parent/guardian thanking them for allowing their child to take part, at the same time offering more information about our organisation should they wish to get in touch.
