

# The Lions Bulletin

LIONS DISTRICT 105CE

W/E 26th October 2020

## DG UJJAL'S MESSAGE:

I have received the Milestone Service Awards for our District and I am at present sorting them out for presentations. I and the DG Team will be in touch with each Club for presentations.

The Covid19 restrictions has made it difficult to do the presentations physically, so online presentations are more likely; we shall then post the awards to your Club.

We had ICT Comms meeting early part of the week discussing improvements to your weekly news and Monthly News. The Team is constantly keeping up to date to give you the best service.

The Strategic Planning Team also met to discuss a variety of subjects and the information will be communicated to you.

The Convention Team met to discuss the details; its not easy to make concrete decisions considering the covid19 situation. I really admire and sympathise with the Team, as we go through this difficult time.

I managed to join Taverham Lions, my Club for a lunch and catch up with the latest. Like many other Clubs they are trying to make arrangements for Christmas Collections.

We had the Council of Governors meeting which lasted all day Saturday; I will be reporting to you at our Cabinet Meeting Sunday 1st November.

I want to thank you for sending reports for the Cabinet meeting, I will be going through them during the week.

Have a Great Week with your families and Clubs.

Keep Safe

DG Ujjal

## Certificate's of Appreciation

As part as our ongoing work, we would love to see photos of the Certificates of Appreciation that your Lions club have handed out during the last 6 months.

In each monthly edition of the newsletter, we will be featuring an "Appreciation Hall of Fame" where clubs can share photos and a few lines about why the certificate was awarded by the club.

Please send your photos and a few lines to [PR@Lions105ce.org.uk](mailto:PR@Lions105ce.org.uk)

## Swaffham & District Lions

Swaffham Lions have expanded their Sunday Foodbank collection to include glasses and hearing aids. This week the Lions collected 61kg of food, 26 pair of glasses, 1 hearing aid and £12. We have had a very positive response to the Sunday collections on social media, it also gives us the opportunity to engage with the public albeit at a social distance.

## Peace Poster Entries

Can all clubs that have peace poster winning entries to be sent to [DG Ujjal](mailto:DG Ujjal) no later than 13th November ready for judging please.

# Wroxham and Hoveton Lions Club Appeal

Lion Ron, a former President of our club, is a member who epitomises our motto of 'We Serve' always happy to help and can be relied on to step up to the mark when required to do so. It was devastating for him to discover his grandson had contracted a rare form of cancer, doubly so, as he also lost his wife to cancer. The link is self-explanatory and I hope that clubs in our district might be able to help this worthy young man.

## Go Fund Me Page

Do you know someone who is worthy of **recognition** for the work they do for their local community?

Lions Clubs throughout the district are looking to **recognise and support** local volunteers who have made an outstanding contribution to their local community or cause.

You or your Lions Clubs can **nominate** a candidate for a Community Contribution Award and show them that you appreciate all **their hard work and commitment**.

Who will you nominate?

[WWW.Lions105ce.org](http://WWW.Lions105ce.org)

Find out how to apply now to enter your **Community Contribution Award Winner**

**The Community Contribution Award (CCA)** programme could net you and your 'local hero' £250 each, so read on and act NOW!! Why is the District implementing the programme? The programme will drive up membership, services, and PR in one campaign To raise the profile of Lions through increased presentation of Lions Certificates of Appreciation
