

# The Bulletin No2

**LIONS DISTRICT 105CE**

**DG David Pope MJF**

**2021 – 2022**

Firstly a massive welcome to Loughborough Lions Club, their transfer to our District and to Zone 5C became effective during the second week of this Lionistic year, you are very welcome, two of their members are already on Cabinet – Mike Harrison as the Zone Chair for 5C and Sue Denton as our ROAR Officer – thank you both for stepping up and supporting your new District.

So we started this Lionistic year with 1,627 caring members, sadly during our first week we lost 4 members to higher service – my thoughts are with their families at this time, plus a further 3 members, but have gained 3 new / reinstated members, our current membership stands at 1,624. That is a lot of people providing service to their local community – Thank you for all you do.

As mentioned in the last Bulletin, we held our DG Team handover, kindly hosted by IPDG Lion Ujjal and his lovely wife Manjit, we had a great afternoon being able to sit out in their garden and catch up – face to face. I hope you enjoyed the article & photo's on Facebook!

The DG Team of Chris, Paul and myself, supported by District Secretary Keith held a MyLCI & MyLion masterclass in the week with the Zone & Region chairs, to help them support our clubs by demonstrating what you can do with both systems and dispelling a lot of the myths & fears of using the system, this was really well received by the Zone & Region chairs.

Lions Service reporting – at the time of writing this message a massive 6,168 people have been served, that's a great start to the Lions year, but it is only from very few Lions Clubs. Wouldn't it be great to be able to beat our 500,000 people served target by the end of the year, to achieve this it does require all clubs to report your great service efforts, if you need any help in doing this, please contact your Zone or Region chair they are upto speed with the functionality of the system and how easy it is to use.

I have attended an MD membership meeting with a couple of very passionate speakers, we all know that serving our local communities requires members, let's all look to our friends and neighbours and ask TWO to join, the vast majority of our new members are out there waiting to be asked! Remember the pride you felt when you were asked to join!

I attended my own club meeting during the week – I am the Treasurer so I am making every effort to attend, hopefully it will be our last held on Zoom, but we had 3 prospective Lions attending – a great start to the new year.

I had a great day at the Nottingham West Lions Clubs Charity Golf Day on one of the hottest days of the year, a lovely course with some great company and NWLC through sponsorship and the 2's money being donated back (in joke !!) raised a massive £1,640 for good causes.

Another plug for our District Changeover weekend, taking place Friday 6th August to Sunday 8th August, a great weekend of fellowship is planned all the details are on our great District Website <https://www.lions105ce.org/whats-on.html>

Thanks for all you are doing making a difference to your local communities.

A very PROUD District Governor

Yours in Lionism
