DG UJJAL's Message

What a week it has been, it is always difficult to say good-bye after decades of service together with the Lionesses. The first Lioness Club in 105 was formed in 1977 in Pontefract. This year's Lioness Conference took place Saturday morning running into the afternoon. Excellent speeches and appreciation expressed by all. PID Phil opened the Conference with his wonderful presentation and then the days business was discussed in an unhurried manner enjoyed by all making the most of it.

I have written a letter to Lioness Chair, Sandy, on behalf of the Lions of 105. She will be sharing it with the Lionesses. I also said a few words at the Conference appreciating the work done by the Lionesses. I welcomed those Lionesses who are staying to join our Lions organisation to continue the service they have always given. Sadly, some will go a different way, I wished them well and extended a hand of friendship should they wish to join the family of Lions again.

It was very emotional for Sandy and all the Lionesses; and for the Lions too, to see the end of a remarkable time of service together. It was not easy to say the least.

The Lionesses will be holding a reunion 7th August in the Marriott Hotel, Huntingdon; If all is okay I will be attending the celebrations.

We had on-line meeting with the Netherlands twinning District 110 CO, it was mostly, trying to know each other so that a bond develops and turn into service projects together; amongst others membership was the main discussion point.

The National Convention of District 124 Romania took place on Friday. I sent a pre-recorded video message from our District wishing them well in their Conference. The DG Team, PDG Derek Prior and ID Phil were all present at the Conference virtually.

There is a Council meeting this evening, as I am writing this I will flow into the preparations for the meeting.

I will do more catching up with you next week.

Keep Well and Safe in your Club, Families and loved ones as you venture out into activities.
