LIONS DISTRICT 105CE W/B

5th April 2021

DG UJJAL'S MESSAGE:

Happy Easter to you all, I hope you all enjoyed the long weekend with your families and friends. The eased restrictions have enabled some welcome distanced contact with each other, and I am sure many of us took advantage of this special weekend.

This past week I visited Wymondham LC in their meeting (online) and was pleased to induct a new member and learn about their forward and present plans.

Unfortunately, the Youth Session organised by GLT Officer Derek Rutter was cancelled as there were only a few takers. Please come along and attend these sessions, there is a lot of time and effort spent on organising these events.

GLT Officer Derek has organised an Incoming Officers training session 24th and 25th April; please see the article below and spread the word around so more Lions can benefit from it and be brought up to date with information.

The Council of Governors meeting is arranged for the 24th April, which I am pleased to say that I will be chairing as a temporary Chair. I will be in this role till the end of this Lions Year.

The MD Convention is nearing and will be held on 1st May, it is a virtual Convention and preparations are made to have a delightful day with plenty packed into it. Please book your place, the details are in your Lion Magazine which also includes the Resolutions that need to be taken care of on the Day. You can register and find out more at [MD105 Convention](#).

The International Convention is on between 25th and 29th June. You can find out more and register at [Lions Clubs International Convention 2021](#).

Clubs are getting into action as the weather is improving and the Lock Down is easing; I know of one Club that has raised over a Thousand Pounds through Raffle Tickets, in just 3-4 days. Keep up the Good work, we must make up for the lost time and I know you will all be working hard to serve those in need.

I am also thankful for the efforts by many of you to help raise funds for Manjeet's charity Diabetes UK, keep up the great work, it is a cause very dear to Manjeet and she too is very thankful.

Keep Safe, more chat next week.
